CASINO · HOTEL

At Santa Ana Star Casino Hotel, our goal is simple: to deliver the best entertainment, dining, rewards, and guest service in New Mexico. Every day, our team works hard to create memorable experiences, and today I'm asking for your support.

Voting for Albuquerque The Magazine's Best of the City Awards is open through August 1, and these awards mean a great deal to our team. For 15 years in a row, you've helped us earn Best Casino Rewards, and we're incredibly grateful. We've also been honored with awards like Best Slots, Best Sportsbook, Best Casino Restaurant, Best Comedy Club, and more.

This past year, we've continued to invest in making The Star even better. We launched the Mobile Star Rewards App, giving guests more convenient ways to engage and win. Juniper Steakhouse continues to deliver exceptional dining experiences, while Legends Sportsbook remains the premier place to catch all the action.

At Quezada's Comedy Club, we've welcomed stars like Leslie Jones and Jeremy Piven while continuing to showcase great local talent. And with upcoming performances from George Wallace, Tommy Davidson, Caroline Rhea, Harland Williams, and more, there's plenty to look forward to.

These awards recognize the hard work, passion, and dedication our team brings every day. If we've helped make your year more fun, exciting, or rewarding, we'd be honored to earn your vote.

There may not be an award for the casino that cares the most—and that's because it's not even a contest. At The Star, we go above and beyond every day. That's why we're proud to be New Mexico's Best Bet.

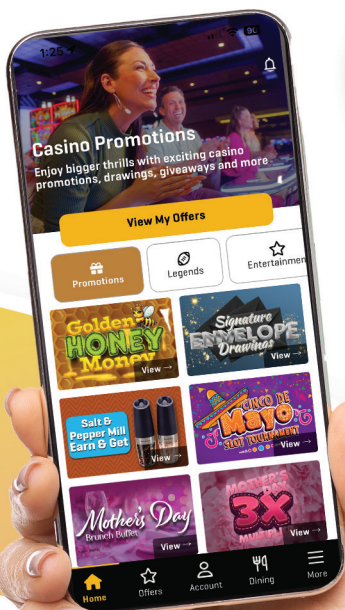

All the Best,
